BOTH KAMS AND PUNS CONFIDENT OF WINNING IT

Clubs Will Clash This Afternoon at Kam Field at 3:30—Coaches Sure Their Men Will Triumph in Big Hurrah

PUNAHOU TEAM

THE big game is on today. At 3:30 o'clock at Kam field the Kamehameha team will take the field against the Punahou eleven in the hurrah of the season. Both teams are confident of winning.

Last minute preparations have been completed and the fans who attend the Kam field today can rest assured that they will see a grid battle that will be tight, fast and furious throughout.

Teams Ready
Both teams have suffered somewhat during the past week from injuries to players and from lack of practice, heavy rains causing a postponement of workouts. Nevertheless, some speedy football can be expected as both clubs are on tip toes and ready to go to the limit to win. Most of the men who suffered injuries are in better shape. Of Punahou, Pratt's hand and Lydgate's arm are almost well, and for Kamehameha all the boys who suffered in any way have reported themselves fit for the fray.

The Punahou rosters from both the prep school and the academy will be on hand with a new assortment of yell and the Kams will also display a few squawking concerts that should put heart in their team. The crowd from the first game of the day between College of Hawaii and McKinley at Cooke field will be over early to allow the spectators and players to witness the Kam-Pun show.

What Healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "reak down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritability, weakness, will find ready relief and cure in the peculiar properties of

TOWN-SOLDIERS 'GO' POSTPONED

Owing to the fact that the Punahou players objected to the Town Team playing the 25th Infantry eleven as a curtain opener on Kamehameha field this afternoon, the game has been postponed until Wednesday when it will be staged at Moiliili Park or Alexander Field. The reason the Punahou players objected was because a curtain opener would cut up the ground and make it unfit for a fast battle later in the day when the Buffs battled the Kams.

A good-sized crowd attended the benefit dance given last night at the Outrigger Club by the Town Team. The Hawaiian Glee Club furnished the music.

Team Selected
Melim has already selected his team for the game with the 25th. It is as follows: Oliver Pedro Soares, center; James Gilliland, left guard; George McTaggart, right guard; Paikuli, left tackle; Bill Thompson, right tackle; William Andrade, left end; Frank Rodriguez, right end; George Leal, right half; Fredericks and Kanakaoe, full backs; Gilbert Canario and George Hawkins, left halfbacks; Harry Melim, quarterback. Substitutes—V. Boyd, D.

seemed to be fairly evenly matched throughout most of the battle, the Reds making their tallies in scoring streaks.

In the second game the Navals took some time to get started, but when they did there was nothing more to it. Clark was the big pounder, notching 12 points, and Malone also showed well. The Goodyears exhibited a lack of practice and were slow at times.

There was a good crowd on hand to watch the sessions. Glenn Jackson refereed, while C. B. Gibson acted as scorer.

Playing a cracking game, the Reds, champions last year, walked all over the All-Intermediates by a score of 4 to 12, while the Naval Hospital trimmed the Goodyears 29 to 19 in the opening matches of the Senior Basketball League at the Y. M. C. A. last night.

McCarthy at forward for the Reds was the big star in the first game, making fourteen points, and his teammates, Wylie, played in smashing style. Keppeler was the best man for the losers. The game was fast and, although the score was big the teams

BENNY LEONARD WINS FROM JACK BRITTON

(Associated Press by U. S. Naval Wireless.)

NEW YORK, Oct. 20.—Benny Leonard, lightweight champion of the world, outpointed Jack Britton show class. The fight was a night. Leonard had the best of the argument throughout and only in the early rounds did Britton show class. The fight was clean and fast. The newspapermen gave the decision.

GIL DOBLE BEATEN BUT ESCAPES MUCH NOTICE

In the excitement attending the holding of the world series, the fact escaped notice that Gil Doble, heralded as the "miracle man" of the gridiron, has actually suffered defeat. The bare details were that the Navy eleven at Annapolis was beaten by West Virginia, 7 to 0. Doble is coaching Navy and after something like twelve years handling teams, it was the first time his team was beaten. For nine years he piloted the University of Washington to victory and he had to go East to have his string broken. It was tough luck.

PUN-BUFFS BIFF ACADEMY ELEVEN

(Special Star-Bulletin Correspondence)
The Midget League opened up its football season yesterday afternoon on Punahou's lower field when the Punahou Buffs rolled up a 43-0 score on the light H. M. A. Third. It was an exhibition of rather loosely played football for the most part, as the score shows, but there were a few good men on both teams who endeavored to show that not all the football is confined within the craniums of the bigger fellows.

Crane, the Pun-Buff quarterback, showed his generalship better than in the game with McKinley High. He is a stocky-built lad, who will be going in fast company next year. The best man on the Military Academy eleven seemed to be Breckenridge, who played in the backfield.

Young Ackerman, who was once a student at the Honolulu Military Academy, played a good game at left end for the Buffs. He was called back after he had made a good touchdown on a forward pass. Willis, Bush and Conant make a very light but speedy backfield for the Pun-Buffs, and will make the next game mightily interesting for the followers of the Midget League series.

The next game comes off during the week-end of the 26-27, when the McKinley Thirds will line up against the Pun-Buffs, and also Iolani School against the Punahou Blues. There is some talk of allowing the All-Students

matched. The second event will be an exhibition of Japanese wrestling by the world-renowned mat artists, Edosakuya and Natorigawa. Both are celebrated in Japan, and there should be a large attendance of local Japanese fans on hand.

Professor Barron's students will give an exhibition of pyramid building and tumbling. Glenn E. Jackson of the Y. M. C. A. will act as referee. There is a prospect that another wrestling tournament will be arranged in the near future depending on the success of the one to be held tonight.

Following a stay of three days in their trenches, during which time they simulated the conditions of actual warfare in every possible detail, the embryo officers at the Schofield training camp returned to their barracks last evening.

During that time in the sand-bagged trenches not a man except those in the scouting and sniping parties had thrust his head above the surface of the earth. They are learning how to meet the conditions of real warfare, and at the orders of their officers they kept low and fired at the enemy only from the cover of their parapets or through loopholes in the bags of earth.

It was an interesting time they spent, made all the more so by a surprise attack on Wednesday evening from a company of the 32nd Infantry which had sent out raiding parties into No Man's Land and which kept up a constant series of raids throughout most of the night.

During the earlier part of the week the company in training followed out the general plans of combat in company formation that had been previously started.

Captain Charles F. Leonard and the other army officers at the camp are busy these days with the reserve officers' school on one hand and the bombing school on the other, and the Lihuehau plains in the vicinity of the training barracks presents an active and warlike scene. The bombing school has been established on the opposite side of the barracks from the reserve camp trenches.

Work for the coming week will include more and more training in open combat and the working out of tactical problems. Approximately two-thirds of the course is over now, and the rookies are beginning to wonder how many commissions are waiting for them at the end of the trail.

GOLDEN M SOCIAL.

The Golden M Club of the Y. M. C. A. will hold its bowling social tonight. A number of matches have already been arranged and a good time is promised. Refreshments will be served following the games.
